

# CITY LUBE

Chain lubricant for city bikes and e-bikes

## Description

MOTOREX CITY LUBE is a special chain lubricant with a very long service life, enabling it to meet the demands of daily use. MOTOREX CITY LUBE protects the chain and gear mechanism from corrosion and oxidation and limits wear. Chain noise and friction are reduced on a lasting basis. Ideal for bicycles, e-bikes and pedelecs used every day.

## Advantages

- ideal for city bikes, e-bikes and pedelecs
- high mileage and service life
- excellent material compatibility
- strong adhesion
- effective corrosion and oxidation protection
- limits wear
- not classified as dangerous

## Field of application

MOTOREX CITY LUBE is recommended for the lubrication of chains and derailleurs on all bikes, e-bikes and pedelecs.

## Use

Apply MOTOREX CITY LUBE to the dry chain and derailleur. Move the parts as you do this so that the lubricant is applied evenly.

The dirty chain can be cleaned easily using MOTOREX EASY CLEAN. Using MOTOREX CITY LUBE regularly increases the service life of your chain.

**Warning:** Avoid contact with brakes to retain optimum braking performance.

**Note:** Also available as a spray

## Technical data

Properties	Unit	Test according to	Value
Colour		ISO 2049	brown
Density at 20°C	g/ml	ASTM D 4052	0.860
Viscosity at 40°C	mm <sup>2</sup> /s	DIN 51562-1	90
Pour point	°C	ASTM D 5950	< -10
Flash point	°C	ISO 2592	> 200
VOC	%		0

Water hazard class: WGK 1

Disposal code: VeVA/EWC 130 899
