

# INTACT X

## VOC-free water displacing agent

### Description

MOTOREX INTACT X is a marked water displacing agent without VOC. Adhering water or water-soluble cooling lubricants are quickly removed from the surface and immediately separate from INTACT X (quickly demulsifying).

### Advantages

- marked water displacement
- quickly demulsifying
- VOC-free
- odour-free
- not a hazardous substance
- high flame point

### Area of application

Use as VOC-free dewatering liquid for the metal-working industry for removing water or water-soluble cooling lubricants on metals.

### Use

MOTOREX INTACT X can be applied by emersion, spraying or with a brush. Note the relevant safety data sheet.

### Synergy Project

"Using synergies and letting them influence products to the advantage of the user," is the maxim of the MOTOREX Synergy Project.

Products that are influenced by the results of existing synergies between machine and tool manufacturers, users and MOTOREX are labelled as Synergy Projects at MOTOREX.

### Notice

When new products are used in modern production systems, it is new ground for both parties. It can be assumed, based on the results available, that the product is compatible with the materials currently used in engineering. The users and manufacturers of the product bear equal responsibility – depending on the process – for the use and suitability of the product in the manufacturing system. The "General terms of sale and delivery" of MOTOREX AG LANGENTHAL, 4900 Langenthal, Switzerland apply.

The above information reflects the current state of the art. Measurement and production tolerances customary in the branch apply to the key data shown here. Our products undergo constant development. We therefore reserve the right to amend the data contained in this product information at any time without prior notice. MOTOREX AG accepts no guarantee whatsoever for contaminated circuits, mechanical defects or similar which are attributable to defective maintenance, failure to comply with directives, or the use of materials/substances that are not recommended.
