

# MULTI-CLEANER

Universal cleaning agent

## Description

A practical oriented cleaning agent must not only clean efficiently, but should also be environmentally friendly. The MULTI-CLEANER is in line with strict water protection regulations. Taking into account all of these requirements, the most diverse range of cleaning problems can be solved efficiently with MOTOREX MULTI-CLEANER.

## Advantages

- chemically neutral
- cleans without leaving any marks
- alkali and acid-free
- >80% biodegradable in accordance with OECD 302 B
- non-corrosive
- pleasant odour

## Field of application

For garages, trade, industrial companies, agricultural equipment, flooring, carpets and household devices of all types.

## Application

Metering should be adjusted to the respective degree of contamination to ensure surfaces are degreased and contamination is loosened well. If bare metal parts are cleaned with MOTOREX MULTI-CLEANER, they must then be treated with corrosion protection.

## Dosage

Add 0.5–5% MOTOREX MULTI-CLEANER to water of any temperature.

## Notes

Lemon scent

## Technical data

Properties	Unit	Test according to	Values
Colour			fluorescent yellow
Density at 20 °C	g/cm <sup>3</sup>	ASTM D4052	1.020
Vapour pressure at 20°	hPa		23
pH-value		DIN 51369	9.5

European waste code: 07 06 01 / Water hazard class: 2
