

REFO CLEANER

Machine cleaner - Concentrate – Non-foaming

Description

The MOTOREX REFO CLEANER is a high-performance concentrated cleaning agent to remove oil, grease and general industrial dirt. Non-foaming, free of VOCs.

Advantages

- Biodegradable
- Suitable for cleaning equipment
- Dissolves greases, oils and general dirt
- Compatible with plastics, paint and metal
- Can be separated from water (separation plant)
- Free of VOCs
- Pleasant lemon fragrance
- Only small amounts required

Field of application

MOTOREX REFO CLEANER is excellent for removing dirt on machines, equipment, chassis, cars and workshop floors. Also dissolves oils and greases on very dirty engines, chassis and machine components.

Application

Before use dilute MOTOREX REFO CLEANER with water at ratios of 1:5 to 1:20. Apply to soiled areas, allow to act briefly, clean floors by scrubbing them, if necessary, and then rinse with water.

Technical data

Properties	Unit	Test according to	Values
Colour		DIN ISO 2049	pale yellow
Density at 20 °C	g/ml	ASTM D 4052	1.041
VOC	%		free
pH value			8.7

Water hazard class: WGK 1
Disposal code: EWC 070 601

The above information is subject to change without prior notice, although it is in accordance with current standards. Performance characteristics indicated are based on usual tolerances which occur during measuring and production using the latest technology. A safety data sheet is available for the product described.
