

REX CLEANER

General-purpose cleaner

Description

MOTOREX REX CLEANER is a solvent-based cleaning agent with aromatic hydrocarbons and containing turpentine substitute (white spirit).

Advantages

- dissolves greases, oils and waxes
- does not attack electrical windings
- evaporates quickly
- free of chlorine
- high dirt absorption capability

Field of application

To remove grease from metal and plastic components, suitable for units to clean small parts.

Application

Apply product undiluted using a brush or dip item to be cleaned. Avoid undertaking welding and abrasive operations in the immediate vicinity.

Technical data

<i>Properties</i>	<i>Unit</i>	<i>Test according to</i>	<i>Values</i>
Appearance			fluid
Colour		DIN ISO 2049	colourless
Odour			characteristic odour of aromatic hydrocarbons
Solubility in water			cannot be mixed with water
Density at 20 °C	g/ml	ASTM D 4052	0.78
Evaporation number			approx. 40
pH value			not applicable
Flash point	°C		>40

Water hazard class: WGK 2
 Disposal code: EWC 070 604

The above information is subject to change without prior notice, although it is in accordance with current standards. Performance characteristics indicated are based on usual tolerances which occur during measuring and production using the latest technology. A safety data sheet is available.
